**Note:**

Grey areas in the maps represent Exclusive Economic Zones (EEZ) of the countries and territories of the Pacific Region. These maps do not necessarily reflect coastal state claims and are without prejudice to negotiations that countries may enter into. Data related to EEZ areas were extracted from Claus et al. (2016).

*Dans chaque carte, les parties grisées représentent les zones économiques exclusives (ZEE) des États et territoires de la région Pacifique. Ces cartes ne reflètent pas nécessairement les revendications des États côtiers et ne préjugent nullement des négociations qu'ils sont susceptibles d'engager. Les données relatives aux superficies des ZEE sont extraites de Claus et al. (2016).*

Population figures are estimates provided by the SPC Demography Programme.

*Les données démographiques sont des estimations fournies par le Programme de démographie de la CPS.*
