INRODUCTION

In September 1991 the Government of the Marshall Islands requested assistance in compiling a bibliography of material relating to fisheries and marine resources of the Marshall Islands. After discussions between the staff of the Marshall Islands Marine Resources Authority and the Fisheries Programme of the South Pacific Commission, it was decided that a search for appropriate documents would take place in Majuro, Guam, Tokyo, Honolulu and Suva during September, October and November 1991.

Sixty offices and collections were examined for both published and unpublished material appropriate for the bibliography. Outside the Marshall Islands, special effort was made to search the Tokyo University of Fisheries Library, the University of Guam Micronesian Area Research Center Pacific Collection, the University of Hawaii Hamilton Library, the personal collections of Dr Lu Eldredge, Executive Secretary, Pacific Science Association (Honolulu), and the FAO/UNDP Regional Fisheries Support Programme. Seven bibliographic computer researches were carried out.

The documents included in this bibliography are arranged by author and by subject. The information was entered into a Pro-Cite library database. It is strongly recommended that personnel of the Marshall Islands Marine Resources Authority update this document periodically.

The author thanks Ms Heather Jackson for her assistance throughout this project, and Mrs Caroline Nalo, Publications Officer, for her editorial advice. The author also acknowledges the support of Mr Danny Wase and Mr Nena Kilma of the Marshall Islands Marine Resources Authority. In addition, the assistance of Mr Raymond Clarke, National Marine Fisheries Service (Honolulu), Dr Hiro Kurashina, Micronesian Area Research Center, University of Guam; and Mr Robert Gillett, FAO/UNDP Regional Fisheries Support Programme (Suva) was much appreciated.
At the end of each bibliographic entry in this document, an acronym is given indicating where the material was found. These acronyms are detailed below.

AHS  Assumption High School Library, Majuro, Marshall Islands
ALELE Alele Library and Museum, Majuro, Marshall Islands
BISHOP Bernice P. Bishop Museum, Honolulu, Hawaii
CCM Community College of Micronesia Library, Kolonia, Pohnpei, Federated States of Micronesia
CIP Capital Improvement Project Administration, Majuro, Marshall Islands
COM College of Micronesia (College of the Marshall Islands), Majuro, Marshall Islands
DMR Department of Marine Resources, Government of the Federated States of Micronesia, Palikir, Pohnpei, Federated States of Micronesia
EWC East-West Center Library, Honolulu, Hawaii
FA Ministry of Foreign Affairs, Government of the Marshall Islands, Majuro, Marshall Islands
FAOHQ Food and Agriculture Organization of the United Nations Headquarters Library, Rome, Italy
FAOSP FAO/UNDP Regional Fisheries Support Programme and FAO South Pacific Aquaculture Development Project, Suva, Fiji
FFA Forum Fisheries Agency, Honiara, Solomon Islands
GDC Department of Commerce, Government of Guam, Tamuning, Guam
HIMB Hawaii Institute of Marine Biology, University of Hawaii, Kaneohe, Hawaii
IADP UNDP Integrated Atoll Development Project, Suva, Fiji
IOIA Ministry of Interior and Outer Islands Affairs, Government of the Marshall Islands, Majuro, Marshall Islands
JAMARC Japan Marine Fisheries Resource Research Center, Tokyo, Japan
JICA Japan International Cooperation Agency Library, Tokyo, Japan
JTPA Job Training and Partnership Act, Majuro, Marshall Islands
LE Personal collection of Dr L. Eldredge, c/o Pacific Science Association, Honolulu, Hawaii
