

ATERPECHE - Program

: Plenary sessions; : Group or participatory work

List A: Hands-on work limited to immediate PROTEGE participants

List B: Sessions open to all

MONDAY 20 NOVEMBER 2023

8:00-8:30 a.m. **Welcome and sign-in**

8:30-10 a.m. | S1 **Customary and official opening ceremony**

8:30-9:45 a.m.

Speakers:

Adolphe Digoué, NC Government member responsible for the Economy, Trade, Agriculture, Livestock and Fisheries

PROTEGE team (SPC)

Chloé Fontfreyde, ATERPECHE Coordinator/Consultant (OpaO)

9:45-10 a.m.

Official photo

10-10:30 a.m.

Break

10:30 a.m.-12 noon | **Coastal fisheries context in the OCTs & overview of PROTEGE actions**

Speakers:

Mickaël Lercari, Fisheries and Environmental Engineer, Coral Sea Natural Park and Fisheries Department (New Caledonia Government)

Pablo Chavance, Engineer, Marine Division (Adecap Technopole)

Bruno Mugneret, Head of the Fisheries Department (DSA)

Georges Remoissenet, Manager, Innovation and Promotion Unit (DRM)

Camille Gall, PROTEGE Fisheries and Aquaculture Facilitator (DRM)

12 noon-1:30 p.m.

Lunch break

1:30-4:30 p.m. | S3 **Coastal Fisheries Observatories (CFO)**

1:30-2:15 p.m.

1 - PLENARY: The CFOs' origin, missions, governance and resources

Speakers:

Matthieu Juncker, PROTEGE Coastal Fisheries and Aquaculture Coordinator, (SPC)

Louis-Charles Dziegala, Project Officer, Northern Province CFO (Adecap Technopole)

Savelina Taiava, CFO Project Officer (DSA)

2:15 - 4:30 p.m.

2 - PARTICIPATORY FACILITATION: CFO tools - continually improving!

Introduction to CFOs and their tools, strengths and limitations

Parallel group work: optimising and ensuring tool sustainability

Speakers:

Louis-Charles Dziegala, Project Officer, Northern Province CFO (Adecap Technopole)

Savelina Taiava, CFO Project Officer (DSA)

4:30-5 p.m.

Select committee review

6 p.m. **Evening reception & icebreaker**

TUESDAY 21 NOVEMBER 2023

8-8:30 a.m. 🗣️ **Program review & notices**

8:30-10:30 a.m. | S4 🗣️ 👥 **Sea cucumbers**

8:30-9 a.m. 🗣️ 1 - PLENARY: Review and feedback on the process implemented in New Caledonia and French Polynesia

Speakers:

Antoine Gilbert, Fisheries Engineer and Project Manager (Ginger-Soproner)

Bernard Fao, Strategic Projects Manager & Fisheries Facilitator (DDDT, Southern Province)

Yvy Dombal, Fisheries Manager (DDEE, Northern Province)

9-10:30 a.m.

👥 2 - PARTICIPATORY FACILITATION: Stock assessment, management & CITES

Parallel group work: Stock assessment/Management & CITES

10:30-11 a.m. Break

11 a.m.-12 noon | S5 🗣️ **Stock assessment**

Overview of approaches to stock assessment for small Pacific coastal fisheries and perspectives

Speaker (video) - Specialist:

Jeremy Prince, Creator of the Barefoot Ecologist Toolbox

12 noon-1:30 p.m. Lunch break

1:30-4:30 p.m. | S6 🗣️ 👥 **Climate change**

1:30-2:30 p.m. | S6 🗣️ 1 - PLENARY: Science as a tool for forecasting and adaptation in addressing climate change

Speakers - Specialists:

Johanna Johnson, PhD, Climate change vulnerability & adaptation assessments (pre-recorded remarks)

Virginie Duvat, Professor of Geography and Researcher specialising in the impacts of climate change on tropical coastlines and coastal environment management, main author of the sixth IPCC report, Chevalier de la légion d'honneur (French legion of honour)

2:30-4:30 p.m. 👥 2 - PARTICIPATORY FACILITATION: Incorporating climate change impacts in the OCTs

Group work: Considering the impacts of climate change on fishery resource management and activities, perspectives for management and integration in future programmes

4:30-5 p.m. Select committee review

WEDNESDAY 22 NOVEMBER 2023

8:00-8:30 a.m. 🗣️ **Program review & notices**

8:30-10 a.m. | S7 🗣️ **Fisheries management**

Sharing real-world case studies and experiences in managing leading species: fishery status, management measures and challenges encountered

Speaker - Specialist:

Will Bowman, Program Leader Wild Harvest Fisheries, Northern Territory Government (Australia)

10:00-10:30 a.m. Break

10:30 a.m.-12:30 p.m. 🗣️ 👥 **Strategic communications**

10:30-11 a.m. 🗣️ 1 - PLENARY: Creating a strategic communications plan from A to Z

Participatory management in Wallis and Futuna - emerging awareness: from survey to implementing and evaluating a communications campaign

Methodological support: key lessons & tools

Speakers:

Baptiste Jaugeon, PROTEGE Fisheries and Aquaculture Facilitator (DSA)

Tuitoafa Mickaele Neti, Village Chief, fisher and farmer, customary marine area project leader (DSA)

Hugo Nguyen, Information and Outreach Assistant, FAME (SPC)

11 a.m.-12:30 p.m. 👥 2 - PARTICIPATORY FACILITATION: Strengthening communications between local authorities and fishers

Parallel group work: From local authorities -> commercial and non-commercial fishers /From commercial fishers -> local authorities/From non-commercial fishers -> local authorities

12:30-2 p.m. Lunch break

2-4:30 p.m. | S9 🗣️ **OCTs' coastal fisheries' strategies**

Speakers:

Denis Labiau, Fisheries Unit Manager, New Caledonian Chamber of Agriculture and Fisheries

Alexandra Grand, Project Officer, Lagoon Fishery Innovation and Promotion Unit (DRM)

Gabriel Sao Chan Cheong, Head of the Lagoon Resources Management and Conservation Unit (DRM)

Bruno Mugneret, Head of the Fisheries Department (DSA)

Herman Tufele, fisheries technician from Futuna (DSA)

4:30-5 p.m. Select committee review

THURSDAY 23 NOVEMBER 2023

8:00-8:30 a.m.  Programme review & presentation

8:30 a.m.-12 noon | S:  Biological data: from field measurement to storing data

/!\ Prior registration required for hands-on work sessions (by time slot). Participants may register for a maximum of two of the three hands-on sessions offered. The number of participants per group will be limited to between six and nine persons.

HANDS-ON WORK - LABORATORY

Sea-cucumber, fish and rock lobster dissection
Presentation on the Ikaavea data acquisition and storage system
Data entry during data processing by participants

Speaker:

Sébastien Gislard, Coastal Fisheries Research Assistant (SPC)

HANDS-ON WORK - DATA

Processing and analysis of OCT datasets

Intervenants :

Baptiste Jaugeon, PROTEGE Fishers and Aquaculture Facilitator (DSA)

Franck Magron, Coastal Fishers Information and Database Manager (SPC)

HANDS-ON WORK - MOSELLE MARKET

Fish measurement and sampling based on the method used by the New Caledonian Coastal Fisheries Observatory (OPC), in partnership with commercial fishers

Speakers:

Calvin Paladini, Project Officer, Southern Province CFO (Adecap Technopole)

Louis-Charles Dziejala, Project Officer, Northern Province CFO (Adecap Technopole)

Pablo Chavance, Engineer, Marine Division (Adecap Technopole)

8:30-10 a.m. Choice of hands-on work: LABORATORY or DATA or MOSELLE MARKET

10-10:30 a.m. Break

10:30 a.m.-12 noon Choice of hands-on work: LABORATORY or DATA

12 noon-1:30 p.m. Lunch break

1:30-2 p.m. | S11  Review of the regional workshop on food systems

Speakers:

Clément Gandet, Agriculture and Forestry Coordinator, PROTEGE (SPC)

Matthieu Juncker, Coastal Fisheries and Aquaculture Coordinator, PROTEGE (SPC)

2 -4:30 p.m. | S12  Shared priorities & cooperation among OCTs

Participatory facilitation

4:30-5 p.m. Select committee review

6-8 p.m. Climate change talk

Speaker:

Virginie Duvat, Professor of Geography and Researcher, specialising in the impacts of climate change on tropical coastlines and coastal environment management, main author of the sixth IPCC report, Chevalier de la légion d'honneur (French Legion of Honour)

FRIDAY 24 NOVEMBER 2023

8-8:30 a.m.  **Program review & notices**

8:30-9:30 a.m. | S13  **Specialists' feedback on the week**

Speakers:

Virginie Duvat, Professor of Geography and Researcher, specialising in the impacts of climate change on tropical coastlines and coastal environment management, main author of the sixth IPCC report, Chevalier de la légion d'honneur (French Legion of Honour)

Will Bowman, Program Leader Wild Harvest Fisheries, Northern Territory Government (Australia)

9:30-10 a.m. Break

10 -11 a.m. | S14   **Gender equality from the coastal fisheries perspective**

1- Opening: screening of a video testimony by Savelina Taiava, CFO Project Officer (DSA)

2- Presentation, "Sixteen days of activism against gender-based violence 2023"

Speakers:

Tara Chetty, Pacific Women Lead at SPC, Manager Programmes

Dr Stuart Minchin, SPC DG

*PROTEGE team (SPC)**

3- Facilitation

Speaker:

Catherine Guillaume, Communications Consultant (Solutions)

11 a.m.-12 noon | S15  **S15- Friday gatherings**

One-on-one or small group conversations based on the needs identified throughout the workshop

12 noon-1:30 p.m. Lunch break & media briefing

1:30-2 p.m. | S16  **On-the-spot assessment**

Speakers:

Matthieu Juncker, Coastal Fisheries and Aquaculture Coordinator, PROTEGE (SPC)

Chloé Fontfreyde, ATERPECHE Coordinator/Consultant (OpaO)

2-3 p.m. | S17  **Satisfaction survey & participant comments**

3 -3:30 p.m. | S18  **Official closing**

Speakers:

PROTEGE team (SPC)

European Union
