

# A growing CBFM community of practice in the region

- Framework for Action
- Online portal with resources (Echoes of Oceania)
- Existing networks
- Regional or national forums and dialogues (face-to-face)

# How do we continue the discussions?

## Creating dedicated coms channels with CBFM practitioners

### For What?

- To facilitate ongoing exchanges
- To enable a greater number of CBFM practitioners
- To contribute to building and sharing CBFM knowledge in the Pacific region

### For Who?

- Governments, community reps, NGOs/CSOs, partners
- Individuals or existing networks
- Working on CBFM
- Contributing to the Pacific region

1 Which communication platforms would you prefer to interact with other CBFM practitioners?

2 Would you like to have regular online meetings/webinars on specific CBFM topics?

3 What CBFM information/ topics are you interested in?

4 Would you be interested in sharing your own resources (reports, stories, etc), experiences, etc?

Slido!

Join at  
**slido.com**  
**#8616 340**

5 Would you be keen to be part of the coordination team enhancing the CBFM Community of practices?

Examples:

- set the rules for the coms channels
- select the topics for the webinars
