

Strengthened capabilities, collaboration and coordination for risk reduction, response, and recovery.

**SOLOMON ISLANDS:
Construction of Provincial Emergency Operation Centre
Central Islands Province**

**EOCs, Evacuation Centres and/or Pre-Positioned
Supply Facilities**

Nadi, Fiji, Tuesday 09th April 2024

EOC – SOLOMON ISLANDS

Activity:
EOC Infrastructure
Location:
Central Islands Province

IMPORTANCE & RELEVANCE

- 2008 – NDMO expansion from 3 – 28 Officer
- Decentralization – Focus on strengthening Sub National Level with dedicated EOCs.
- The need to support Provincial Disaster Committee with seconded officers to station in the Province
- Taking our work closer to Communities
- Implementing Key Driver in our National DM Plan 2018 on Delivering Response through Provinces and Sectors

Design Consideration

- Social Inclusion
- Cultural Sensitivity
- Accessibility
- Natural Hazard and Climate proofing (Building Code)
- Support accommodating our Ministry's Divisions
- Communication
- Storage

Activity Progress

Completed

- Land has been confirmed with Provincial Government for Central Islands

Outstanding work

- Geotech Study
- UXO Clearance
- EOC Design
- Tender Preparation
- Construction
