PCRN
Pacific Civil
Registrars Network

Pacific CRVS
supported by Brisbane Accord Group

Event Announcement

In-Person Meeting - 26-28 March 2025, Nadi, Fiji

This meeting of PCRN will be organised by the Pacific Community (SPC) with funding support from Bloomberg Philanthropies Data for Health initiative. The objectives of the meeting are:

1. For civil registrars to share progress and challenges in CRVS improvement efforts and identify common challenges
2. To facilitate knowledge exchange and potential collaboration on issues of concern of civil registrars in the region

The meeting will provide a professional forum for civil registrars to discuss priority areas that are of common concern across the Pacific. Development partners and business partners are welcome to attend (conditions apply). Formal invitations to country participants will be sent later this year.

What we need from you now:

- **Country participants and development partners** - suggestions for agenda topics and offers to make presentations.
- **Business partners** - expressions of interest to attend the meeting and/or provide support (options available on request).

Please respond this week to jeffm@spc.int.

Who is PCRN?: Membership is open to any Civil Registrar with state or country level responsibility for civil registration or vital statistics and their nominees. Associate membership has also been extended to partner agencies. We currently have members from 36 countries, 25 agencies and 12 businesses. We are supported by the Brisbane Accord Group and secretariat support is provided by the Pacific Community. More information - <https://sdd.spc.int/pacific-civil-registrars-network-pcrn>
