

Guam Results Summary 2019

Each year, as part of SPC's organisation-wide annual results reporting process, SPC collates the results achieved in each of its member countries and territories, and in the region.

In 2019, 442 results were reported across the organisation towards the achievement of our development objectives. Of these results, two multi-country results benefitted Guam.

2  **RESULTS IN TOTAL**

 **0** country-specific

2 multi-country results*

*Multi-country results including more than 10 Pacific Island countries and territories are included in the Regional Results Summary 2019

SPC's contribution to the Sustainable Development Goals

In 2019, SPC continued to play an essential role in bringing the SDGs to life in the Pacific region, working with our members to review and report on progress towards implementing the 2030 Agenda.

In Guam, results contributed to two of the 17 SDGs:

-  SDG 3: Good health and well-being
-  SDG 10: Reduced inequalities
