

## SELECTION OF ARTICLES PUBLISHED IN THE FIRST 20 ISSUES OF INFORM'ACTION

### Classified according to disease

#### Anthrax

**Anthrax - General information and procedures – IA10 – 2001**  
Tom Kiedrzyński

#### Brucellosis

**Brucella suis brucellosis outbreak in Wallis and Futuna – IA18 – 2004**  
Loïc de Poncheville, Laurent Morisse, François Nuttens, Jean-François Yvon

#### Cholera

**Cholera outbreak in Pohnpei – IA7 – 2000**  
Amato Elymore, Jean-Paul Chaine

**WHO recommendations for travellers from cholera-infected areas – IA7 – 2000**  
Michael J. O'Leary

**Trade restrictions not recommended – IA7 – 2000**  
Tom Kiedrzyński

**Preparedness for cholera – IA7 – 2000**  
Tom Kiedrzyński

**Cholera outbreak in Pohnpei and Ebeye/Lae – IA8 – 2001**  
Tom Kiedrzyński, Christelle Lepers

#### Dengue

**Dengue surveillance in the Pacific Islands – IA2 – 1998**  
Rob Condon, George Taleo, Tony Stewart, Tony Sweeney, Tom Kiedrzyński

**Summary of the current dengue-2 epidemic in the Pacific Islands as up to 20 September 1998 – IA2 – 1998**  
Tom Kiedrzyński

**Dengue in Port Vila, May - July 1998: A short report demonstrating in surveillance in action – IA2 – 1998**  
George Taleo, Hilson Toaliu, Rob Condon, Hazel Clothier

**Dengue fever outbreak in Kosrae – IA2 – 1998**  
Livinson Taulung, Asher P. Asher

**Anti-dengue media campaign in Fiji – IA6 – 2000**  
Atu Qiolevu, Alumita Bera

**Dengue 1 epidemic in Palau - a summary as of 27 April 2001 – IA8 – 2001**  
Michele D. Pineda

**Type 1 dengue fever outbreak in French Polynesia – IA8 – 2001**  
Bruno Hubert, Manola Laille

**Dengue update – IA9 – 2001**  
Tom Kiedrzyński

**PPHSN Guidelines: Dengue Fever (DF) and Dengue Haemorrhagic Fever (DHF) Clinical Management Guidelines – IA9 – 2001**  
Michael J. O'Leary

**Report: a year of dengue surveillance in New Caledonia (2001) – IA11 – 2002**  
Alain Berlioz-Arthaud

**DEN-1 Outbreak in the Pacific – update as at 22 May 2002 – IA11 – 2002**  
Christelle Lepers

**Dengue fever in the Solomon Islands – IA12 – 2002**  
Dennie Iniakwala, Andrew Darcy, Hugo Bugoro

**Dengue update - 17 January 2003 – IA13 – 2002**  
Christelle Lepers

**Type 1 Dengue fever epidemic in French Polynesia in 2001 – IA13 – 2002**  
Bruno Hubert

**Evaluation of reagents for the serological diagnosis of dengue – IA 13 – 2002**  
Alain Berlioz-Arthaud

**New Caledonia dengue surveillance report (2004) – IA17 – 2004**  
Alain Berlioz-Arthaud

**Den-3 – A threat the Pacific Islands need to consider – IA17 – 2004**  
Tom Kiedrzyński

**Dengue surveillance and response in Vanuatu – IA18 – 2004**  
Len Tarivonda

**New Caledonia's 2004 dengue fever mobilisation day – IA18 – 2004**  
Bernard Rouchon

**Dengue entomological surveillance – IA20 – 2005**  
Laurent Guillaumot

**Dengue fever type 1 outbreak in Yap – IA20 – 2005**  
Martin Bel

### Diarrhoeal diseases

**Amoeba/Salmonella co-infection in a 2 ½ month-old infant – IA6 – 2000**  
Jean-François Yvon

***Shigella flexneri* bloody mucoid diarrhoea outbreak on the island of Futuna – IA12 – 2002**  
Jean-François Yvon

### Filariasis

**Regional initiative for the elimination of filariasis – IA5 – 1999**  
Tony Stewart, Kazuyo Ichimori

### Foodborne diseases

**Street food: microbiological quality of sandwiches in urban and suburban Papeete – IA6 – 2000**  
Manutea V. Gay

**Staphylococcal food poisoning – Guam – IA14 – 2003**  
James P. Last, Chet E. Holloway and Robert Contreras, Carolina M. Hannmann, Robert L. Haddock

**Building laboratory-based surveillance for foodborne diseases in the Western Pacific region – IA14 – 2003**  
Jay K. Varma

**Foodborne disease meeting in Malaysia – IA18 – 2004**  
Narendra Singh

### Giardiasis

**Giardiasis on Guam, in 1999 – IA7 – 2000**  
Robert Haddock, Robert L. Contreras, Michelle C. R. Lastimoza

### HIV/AIDS & STD

**First regional conference on HIV/AIDS and STD – IA4 – 1999**

**HIV/AIDS and STDs: surveillance systems need to be improved in the region – IA4 – 1999**

**HIV/AIDS pandemic in the Pacific – IA9 – 2001**  
Christelle Lepers, Andrew Peteru

**Regional action against HIV/AIDS – IA17 – 2004**  
Tim Sladden

**Update on Second Generation HIV Surveillance – IA18 – 2005**  
Tim Sladden

**Guidelines for HIV & STI surveillance in Pacific Island Countries – IA20 – 2005**  
Tim Sladden

### Influenza

**Epidemiological survey of influenza in New Caledonia – IA5 – 1999**  
Alain Berlioz-Arthaud, Philippe Pérolat

**Valuable lessons learned from Exercise Virex in NZ – IA11 – 2002**  
Hayley Brock

**Influenza in French Polynesia – IA11 – 2002**  
Bruno Hubert

**PPHSN advice on avian influenza (bird flu) H5N1 and H7 from the human health perspective – IA17 – 2004**  
PPHSN Influenza Specialist Group

**PPHSN advice on highly pathogenic avian influenza in Southeast Asia from the animal health perspective – IA17 – 2004**  
Steve Angus

**Underlying principles of influenza surveillance for pandemic preparedness – IA17 – 2004**  
Tom Kiedrzyński

**A view on influenza preparedness in the Pacific – IA19 – 2004**  
Seini Kupu

### Leptospirosis

**Leptospirosis in Palau – IA8 – 2001**  
Michele D. Pineda

**Leptospirosis in the Northern Mariana Islands – IA10 – 2001**  
Joseph Kevin Villagomez, Richard Brostrom, Edward P. Diaz, John Tagabuel, Farhana Habib

**Infectious diseases in French Polynesia in 2001 – leptospirosis – IA10 – 2001**  
Bruno Hubert

## Recommended reading on leptospirosis – IA10 – 2001

**Evaluation of reagents for the serological diagnosis of leptospirosis – IA13 – 2002**

Alain Berlioz-Arthaud

**Survey on leptospirosis in the Pacific – IA16 – 2003**

Alain Berlioz-Arthaud, Tom Kiedrzyński

**Survey on leptospirosis in the Pacific – progress report: August 2004 – IA19 – 2004**

Alain Berlioz-Arthaud, Tom Kiedrzyński, Narendra Singh, Christelle Lepers

## Measles

**Measles in the Pacific Islands: the last outbreaks**

– IA1 – 1998

Tom Kiedrzyński

**Vitamin A and measles prevention – IA1 – 1998**

Jane Patterson

**Measles mass campaigns – IA1 – 1998**

Michael J. O'Leary

**Measles mass immunisation campaigns in the Pacific**

– IA3 – 1999

Michael J. O'Leary

**Measles immunisation campaigns in New Zealand**

– IA3 – 1999

Tom Kiedrzyński

**Guam 2002 measles experience – IA12 – 2002**

Ronald G. Balajadia

## Rubella

**Rubella outbreak in Tonga in 2002 – IA13 – 2002**

Seini Kupu

**Rubella epidemic in Samoa – IA15 – 2003**

Nu'ualofa Tu'u'au-Potoi

## SARS

**Chronology of PPHSN SARS actions**

– IA14 – 2003

PPHSN-CB Focal Point

**International events in the SARS age – IA14 – 2003**

Michael O'Leary

**SARS: Samoa's experience**

– IA15 – 2003

Nu'ualofa Tu'u'au-Potoi

## Scrub typhus

**Scrub typhus – Palau – IA16 – 2003**

Mark Durand, Stevenson Kuartei, Ishmael Togamae

## Tuberculosis

**Tuberculosis control at the crossroads**

– IA5 – 1999

Michael J. O'Leary

**WHO releases a DOTS guidelines manual – IA5 – 1999**

Reiko Muto

**Tuberculosis study in Guam: 1994-1996 data – IA5 – 1999**

Maria Isabel S. Yanto

**DOTS in the Pacific: encouraging results observed**

– IA5 – 1999

Janet O'Connor

**Family tuberculosis epidemic in the Tuamotu Group, French Polynesia – IA6 – 2000**

Hervé Vergeaud

**Tuberculosis control in the Pacific: update and future hopes**

– IA20 – 2005

Janet O'Connor, Mark Lambert

## Typhoid fever

**Epidemic investigation for typhoid fever in Nauru**

– IA4 – 1999

PPHSN-CB Focal Point

**Investigation on typhoid fever outbreak in Nauru**

– IA7 – 2000

Berlin Kafoa, Sonja Olsen

## West Nile fever

**West Nile fever factsheet – IA13 – 2002**

Alexandre Fediaevski

## Other topics...
