

Strengthening implementation of NCD priority actions in the Pacific: Consultation on the Pacific Monitoring Alliance for NCD Action (MANA) and Legislative Framework

November 25 – 28, 2019, Nadi, Fiji

Agenda

The objectives of the workshop are to:

1. Improve awareness and actions on the most recent regional commitments on NCDs in the Pacific
2. Review existing MANA dashboard, initiate updating and make recommendations to strengthen the tool and process of completing the dashboard
3. Discuss recent progress and challenges with priority NCD actions at country level and identify opportunities to strengthen leadership, programs, policies and legislation
4. Review and discuss the draft Pacific NCD Legislative Framework with a view to strengthen the framework and its future implementation, in preparation for submission to the next Pacific Heads of Health meeting for further direction and decision
5. Explore coordination mechanism(s) for countries and partners in a concerted manner to support country priority actions
